Chairman's Statement

Dear shareholders,

On behalf of the board of directors (the "Board") of Hevol Services Group Co. Limited (the "Company", together with its subsidiaries, the "Group"), I am pleased to present the interim results of the Company for the six months ended 30 June 2024 (the "Reporting Period").

For the six months ended 30 June 2024, the Group achieved revenue of approximately RMB672.0 million, representing an increase of approximately 3.9% over the same period in 2023; gross profit was approximately RMB188.4 million, representing a decrease of approximately 5.4% over the same period in 2023. Profit after tax amounted to approximately RMB54.1 million, representing a decrease of approximately 26.2% over the same period in 2023; earnings per share attributable to shareholders amounted to approximately RMB7.06 cents.

For the six months ended 30 June 2024, the Group managed 367 property service projects across 46 cities in 19 provinces and municipalities in China, with a total GFA under management of approximately 61.1 million sq.m., representing an increase of approximately 9.9% as compared to approximately 55.6 million sq.m. over the same period in 2023; the total contracted GFA reached approximately 68.7 million sq.m., representing an increase of approximately 7.8% as compared to approximately 63.7 million sq.m. over the same period in 2023.

In the first half of 2024, facing a turbulent and complex market situation, the Group forged ahead with determination, adhering to its original aspiration amidst market competition, continuously expanding service areas, optimizing service quality, and enhancing brand influence. The Group ranked 24th among the "2024 Top 100 Property Management Enterprises in China". Over the past 22 years, the Group achieved stable and long-term development, always adhering to the service concept of "living a happy life with Hevol", and providing high-quality and satisfactory services to property owners and customers.

IMPROVING QUALITY TO FORGE THE SOUL OF SERVICE

The Group adheres to the concept of "customer-centric" and is committed to strengthening the brand foundation through high-quality services. In the first half of the year, the Group adhered to the strategic policy of "unwavering commitment to service quality", continuously optimizing service processes and standards, and improving customer satisfaction. To this end, the Group formulated the 2024 quality and customer satisfaction improvement plan, issued a number of service standard guideline documents, and was committed to creating benchmark projects for Hevol Services. At the same time, the Group strengthened the leadership of Party building and established a co-construction and co-governance mechanism with the community. Through forms such as Party member pioneer posts and volunteer teams, it provided efficient and warm services, enriched the community's cultural life, and enhanced the residents' sense of happiness and belonging. In addition, the Group promoted the "Warm Services" model as a highlight of service enhancement. By creating the "Hevol Warm Services" brand, the Group conveyed warmth and achieved a leap from "Satisfactory Services" to "Touching Services", building a beautiful community lifestyle.

SCALE EXPANSION TO ACHIEVE WIN-WIN COOPERATION

Under the pressure of the macro environment and real estate risks faced by the property service industry, the Group actively adjusted its operational strategy to address the challenges of the current deep low-profit period in the property service industry. The Group strengthened organizational capabilities of internal expansion through diversified strategies such as market expansion, technology empowerment and digital transformation. While continuously expanding fully entrusted market, the Group adheres to the principle of shared interests and establishes an external partner mechanism, integrating resources with reputable partners, achieving rapid project expansion and continuous growth in management scale to optimize and expand projects, and composing a promising new chapter together with the partner mechanism at its core.

Chairman's Statement

VALUE-ADDED SERVICES FOCUSING ON HOUSE-AND-CAR BUSINESS

The Group explicitly emphasized the importance of community value-added services in its development strategy explicitly, regarding them as a key tool for building the Group's "second growth curve". Based on the core logic of community services, the Group has established a professional value-added service team to conduct thorough research and selectively develop value-added services that align with Hevol's characteristics and meet commercial and policy logic. Strategically, based on insights into market trends and understanding of property owners' needs, the Group regarded housing and car services as core components of providing community value-added services. In areas such as house replacement, leasing, renovation, vehicle maintenance, and car agency services, the Group actively introduced advanced technology and management concepts, enhanced staff training, and refined service details to provide high-quality and convenient services to property owners. This aims to build a more comprehensive and considerate community service ecosystem, allowing property owners to enjoy a high-quality life. In addition, the Group has conducted in-depth research and gradually launched corresponding services in emerging business areas such as new energy and home-based elderly care, providing important supplements for the Group's future diversified value-added services.

Looking forward to the future, the original intention remained unchanged. Under the guidance of the strategic policy of the "four adherences", that is, "adherence to the three-year development plan, adherence of service quality as the foundation, adherence to the fully entrusted development path and adherence to the principle of benefit sharing", the Group has always made unremitting efforts to achieve one goal, namely the three-year development plan, to win the "three major battles of quality, expansion and value-adding", making rapid progress on the established track.

Finally, on behalf of the Board, I would like to take this opportunity to pay the highest respect to all shareholders, business partners, property owners, customers and suppliers who have always supported and trusted the Group! I would also like to express our most sincere gratitude to the management and all employees for their hard work and contribution to the Group.

The quality of service is the lifeline and development foundation of a property enterprise. The Group always adheres to the unwavering foundation of service quality. In the first half of the year, the Group implemented the "Five-Enjoyment Service Benchmark" in 34 property projects with different service standards across 17 cities. It increased investment in areas such as public order, infrastructure, cleaning services and green maintenance. By creating successful service cases and benchmark projects, the Group demonstrated its brand strength with tangible results, gradually achieving the quality management goals of "One Project, One Feature" and "One City, Five Benchmarks". At the same time, in order to enhance the happiness and sense of belonging of property owners, the Group has implemented the "Hevol Warm Services" model. By strengthening employees' service awareness, improving their service skills, and establishing warm service evaluation and incentive mechanisms, employees are encouraged to actively provide warm-hearted services to property owners, convey the warmth of property services, continuously optimize the soft power of Hevol Services and improve market competitiveness.

In terms of expanding fully entrusted market, the Group actively integrated resources, engaged in market competition, and successfully expanded and signed over 40 new projects. In the first half of the year, the Group has established a mechanism for external partners in market expansion, enhancing the Group's expansion capability through the organic combination of internal and external resources. At the same time, the Group strictly implemented the post-evaluation mechanism of the projects, conducted in-depth reviews of newly developed projects from operational and data perspectives, summarized experiences, ensured the quality of expansion projects, and safeguarded the continuous development of the Group.

As at 30 June 2024, the Group's property management services have expanded to 46 cities in 19 provinces and municipalities in China. Community value-added services

As an extension of the Group's property management services business, the Group provides community value-added services to property owners and residents according to their needs. The Group's community value-added services help to meet the high-quality life needs of the property owners and residents, enhance their customer experience, as well as to create a healthier and more convenient living community. The community value-added services, mainly includes home-living services, housing asset management, housing decoration and renovation services, community group purchase, online community business platform, leasing of car parking space, and leasing of common facilities.

The Group has clearly identified community value-added services as an important part of its strategic development. Through innovative business models and management strategies, it strives to improve the quality and efficiency of community life services. In the first half of the year, the Group focused on maintaining and enhancing the value of property owners' assets in property asset management, and helped property owners select suitable clients through the rental and sales platform to ensure the quality of transactions, provided comprehensive after-sales services and improved the efficiency and responsiveness of asset management. In terms of vehicle management services, under the concept of "one-stop home service", the Group provided property owners with a series of convenient services including new energy vehicle charging, vehicle cleaning, maintenance and repair, insurance agency, vehicle replacement, etc. to meet the daily needs of property owners on vehicles. Facing the challenges in business development, the Group has formulated targeted improvement measures, including strengthening assessments, focusing on products, categorization and grading and systematic operations, to ensure the implementation of business and the fulfillment of services.

As of 30 June 2024, the Group's revenue from community value-added services reached approximately RMB115.6 million, representing an increase of approximately RMB1.5 million, or approximately 1.3% as compared to approximately RMB114.1 million in the same period in 2023. For the six months ended 30 June 2024, revenue generated from community value-added services, representing approximately 17.2% of the Group's total revenue for the period.

Value-added services to non-property owners

Revolving around the needs of property developers, the Group mainly provides site services and diverse auxiliary property management services for property developers, and provides full-cycle and full-process services before property sales and delivery. Based on the professional service standards of the Group in the property management industry, it assists property developers to enhance brand value in an all-rounded way.

For the six months ended 30 June 2024, the Group's revenue from value-added services to non-property owners reached approximately RMB19.8 million, representing a decrease of approximately RMB20.3 million, or approximately 50.6% as compared to approximately RMB40.1 million in the same period in 2023. For the six months ended 30 June 2024, revenue generated from value-added services to non-property owners representing approximately 3.0% of the Group's total revenue for the period.

FUTURE OUTLOOK

The Group always adheres to the service concept of "living a happy life with Hevol", continuously promotes professional and technological development, and creates a more comfortable, beautiful, and convenient community living environment. In the future, under the guidance of the strategic policy of the "four adherences", the Group will continuously optimize service processes, improve service quality, and start from the details to ensure that every service link can achieve excellence, continuously enhance the satisfaction of property owners and customers; actively explore new market opportunities, which not only consolidating advantages in traditional residential community services but also expanding into professional service projects such as commercial, office buildings, government agencies, schools, hospitals and industrial parks, gradually enhancing the Group's comprehensive service capabilities; fully utilize technological means and big data analysis to uncover the potential needs of property owners, providing them with higher quality and more convenient living services.

FINANCIAL REVIEW

Revenue

The Group derived revenue from: (i) property management services; (ii) community value-added services; and (iii) value-added services to non-property owners. Overall revenue increased by approximately RMB25.2 million, or approximately 3.9% from approximately RMB646.8 million for the six months ended 30 June 2023 to approximately RMB672.0 million for the six months ended 30 June 2024. Such growth was primarily attributable to an increase in revenue from property management services by approximately RMB44.0 million, or approximately 8.9% resulting from the Group's intensification of fully entrusted market expansion effort to acquire new property service projects. The Group's total GFA under management increased by approximately 9.9% from approximately 55.6 million sq.m for the six months ended 30 June 2023 to approximately 61.1 million sq.m. in the same period of 2024, and the number of projects under management increased from 329 to 367.

The following table sets out a breakdown of the Group's total revenue by business segment for the periods indicated:

Six months ended 30 June

	2024		2023		Change	
	RMB'000	%	RMB'000	%	RMB'000	%

Total	672,038	100.0	646,848	100.0	25,190	3.9

Property management services

Property management services primarily include the provision of security, cleaning, greening, gardening as well as repair and maintenance services to residential communities, commercial properties and other professional service projects. Revenue increased by approximately RMB44.0 million, or approximately 8.9% from approximately RMB492.6 million for the six months ended 30 June 2023 to approximately RMB536.6 million for the six months ended 30 June 2024. Such increase was primarily attributable to the increase in the total GFA under management resulting from the Group's intensification of fully entrusted market expansion effort to acquire new property service projects.

Community value-added services

Revenue from community value-added services increased by approximately RMB1.5 million or approximately 1.3% from approximately RMB114.1 million for the six months ended 30 June 2023 to approximately RMB115.6 million for the six months ended 30 June 2024. Such revenue is divided into three segments, including (i) home-living services, (ii) leasing of car parking space and (iii) leasing of common facilities, which amounted to approximately RMB27.7 million, RMB48.9 million and RMB39.0 million, respectively for the six months ended 30 June 2024. Revenue from home-living services, leasing of car parking space and leasing of common facilities amounted to approximately RMB26.6 million, RMB52.8 million and RMB34.7 million, respectively, for the six months ended 30 June 2023. Such increase was due to an increase in the number of projects under management and the Group actively developed and expanded value-added services to existing residential communities.

Value-added services to non-property owners

The Group provides a wide range of value-added services to non-property owners including site services and auxiliary property management services. Revenue from value-added services to non-property owners decreased by approximately RMB20.3 million, or approximately 50.6% from approximately RMB40.1 million for the six months ended 30 June 2023 to approximately RMB19.8 million for the six months ended 30 June 2024. Such decrease was mainly due to a decrease of site services and auxiliary property management services to property developers resulted from impact of domestic real estate market.

Cost of Sales

Cost of sales of the Group primarily comprises staff costs, sub-contracting costs, utility expenses, repairs and maintenance costs, cost of providing ancillary property management services, material costs and sales taxes. Cost of sales increased by approximately RMB35.9 million or approximately 8.0% from approximately RMB447.8 million for the six months ended 30 June 2023 to approximately RMB483.7 million for the six months ended 30 June 2024. Such increase was mainly attributable to: (i) an increase of repairs and maintenance expenses by approximately RMB18.8 million for the six months ended 30 June 2024 as compared to the same period in 2023 due to an increase in the number of projects under management from 329 to 367; (ii) an increase of the Group's sub-contracting costs by approximately RMB3.4 million from approximately RMB47.6 million for the six months ended 30 June 2023 to approximately RMB51.0 million for the six months ended 30 June 2024 due to an increase in costs for the outsourcing of services such as security, cleaning and greening etc.; and (iii) an increase of utilities of approximately RMB4.2 million for the six months ended 30 June 2024 due to the increase in the number of projects under management. The increase of cost of sales was substantially in line with the growth rate of revenue, primarily due to the synchronous increase in costs resulted from the expansion of the Group's business and management scale.

Gross Profit and Gross Profit Margin

The table below sets forth the Group's gross profit and gross profit margin by business segment for the periods indicated:

Six months ended 30 June

	202	24	20	23		
		Gross		Gross		
	Gross	profit	Gross	profit

Total	188,367	28.0	199,067	30.8	(10,700)	(5.4)

Overall gross profit of the Group decreased by approximately RMB10.7 million, or approximately 5.4% from approximately RMB199.1 million for the six months ended 30 June 2023 to approximately RMB188.4 million for the six months ended 30 June 2024. The overall gross profit margin decreased from approximately 30.8% for the six months ended 30 June 2023 to approximately 28.0% for the six months ended 30 June 2024. Such decrease was primarily attributable to the expansion of the Group's management scale and an increase in repairs and maintenance expenses, utilities and sub-contracting costs in the segments of property management services in order to improve the quality of services.

Property management services

Gross profit for the Group's property management services remained stable at approximately RMB131.5 million for the six months ended 30 June 2024. Gross profit margin of the Group's property management services decreased to approximately 24.5% for the six months ended 30 June 2024 from approximately 26.7% for the six months ended 30 June 2023. Such decrease was primarily due to increase in repairs and maintenance expenses, utilities and sub-contracting costs, as well as the increased pre-investment costs for new property service projects to improve the quality of service.

Community value-added services

Gross profit for the Group's community value-added services decreased by approximately RMB3.2 million, or approximately 5.9% from approximately RMB54.5 million for the six months ended 30 June 2023 to approximately RMB51.3 million for the six months ended 30 June 2024. Gross profit margin for the Group's community value-added services decreased from approximately 47.8% for the six months ended 30 June 2023 to approximately 44.4% for the six months ended 30 June 2024, primarily resulted from an increase in costs incurred for repairs and maintenances of parking facilities in the residential communities.

Value-added services to non-property owners

Gross profit for the Group's value-added services to non-property owners decreased by approximately RMB7.4 million, or approximately 57.1% from approximately RMB13.0 million for the six months ended 30 June 2023 to approximately RMB5.6 million for the six months ended 30 June 2024. Gross profit margin for the Group's value-added services to non-property owners decreased from approximately 32.4% for the six months ended 30 June 2023 to approximately 28.1% for the six months ended 30 June 2024, mainly attributable to a decrease of sales site and ancillary property management services provided to property developers resulting from impact of real estate market in the PRC.

Other income and gains and losses

Other income, gains and losses remained stable at approximately RMB3.3 million for the six months ended 30 June 2024.

Administrative Expenses

Administrative expenses of the Group mainly include staff costs, bad debts, hospitality expenses, professional fees, conference fees, training costs for its employees, travelling fees, depreciation and amortisation. Administrative expenses of the Group increased by approximately RMB6.8 million, or approximately 7.3% from approximately RMB92.9 million for the six months ended 30 June 2023 to approximately RMB99.7 million for the six months ended 30 June 2024, primarily due to: (i) an increase in staff costs of approximately RMB10.9 million, or approximately 23.9%, resulting from the expansion in the business and management scale of the Group; (ii) an increase of installation of IT system of approximately RMB1.9 million in order to improve the efficiency of operational management, set off by a decrease of bad debts of approximately RMB7.3 million.

Income Tax Expense

Income tax expenses of the Group increased by approximately RMB0.5 million, or approximately 4.0% from approximately RMB12.5 million for the six months ended 30 June 2023 to approximately RMB13.0 million for the six months ended 30 June 2024, primarily due to the inclusion of tax effect on non-taxable income.

Profit for the Period

Profit for the period of the Group decreased by approximately RMB19.2 million, or approximately 26.2% from approximately RMB73.3 million for the six months ended 30 June 2023 to approximately RMB54.1 million for the six months ended 30 June 2024, mainly attributable an increase in repairs and maintenances costs, sub-contracting costs, utilities expenses and pre-investment costs for new property service projects in order to improve the quality of the Group's services.

Intangible Assets

Intangible assets of the Group mainly consisted of identified property management contracts and customers relationships, which decreased from approximately RMB107.1 million as at 31 December 2023 to approximately RMB99.4 million as at 30 June 2024 arising from amortisation for the period.

Investment Properties

Investment properties of the Group consisted of certain car parking spaces and shop premises, which increased from approximately RMB55.0 million as at 31 December 2023 to approximately RMB76.7 million as at 30 June 2024, mainly due to investment property additions for the period of approximately RMB26.2 million, set off by depreciation of investment properties of approximately RMB4.5 million.

Goodwill

Goodwill maintained at approximately RMB461.3 million as at 30 June 2024 and 31 December 2023.

Trade and Other Receivables

Trade and other receivables mainly include trade receivables, prepayments and other receivables. Trade receivables are mainly related to property management services as well as value-added services. Trade receivables of the Group increased from approximately RMB388.3 million as at 31 December 2023 to approximately RMB477.9 million as at 30 June 2024, primarily due to the organic growth of trade receivables after expansion of scale. Other receivables increased from approximately RMB177.0 million as at 31 December 2023 to approximately RMB288.3 million as at 30 June 2024, mainly due to an increase in deposits paid for four property service projects to several independent third parties. The Group seeks to strengthen strict control over its outstanding receivables, performs ongoing credit evaluation of its customers and makes frequent contact with customers to encourage regular payment of management fees.

Contract Liabilities

The Group's contract liabilities mainly arise from advance payments made by customers while the underlying property management services are yet to be provided. Contract liabilities of the Group remained stable at approximately RMB314.3 million as at 30 June 2024 compared to approximately RMB334.9 million as at 31 December 2023.

Trade and Other Payables

Trade payables of the Group increased from approximately RMB128.4 million as at 31 December 2023 to approximately RMB143.5 million as at 30 June 2024, primarily due to an increase in purchase of materials and utilities during the period. Other payables consist of accrued charges and other payables, consideration payables, financial guarantees issued, accrued staff costs, other tax liabilities and amounts collected on behalf of property owner committees and property owners. The decrease of other payables of the Group from approximately RMB307.2 million as at 31 December 2023 to approximately RMB288.3 million as at 30 June 2024 was primarily due to a decrease of staff costs and welfare accruals and financial guarantees' issued, totaling approximately RMB35.1 million, net-off by an increase of accrued charges and other payables of approximately RMB10.9 million.

Liquidity, Financial and Capital Resources

The Group's cash and cash equivalents decreased from approximately RMB378.2 million as at 31 December 2023 to approximately RMB166.7 million as at 30 June 2024. As at 30 June 2024, the cash and cash equivalents of the Group were mainly denominated in RMB and HKD. The Group's financial position remained solid. As at 30 June 2024, the Group's net current assets increased from approximately RMB142.6 million as at 31 December 2023 to approximately RMB153.4 million as at 30 June 2024. As at 30 June 2024, the Group's current ratio was approximately 1.20 times compared to approximately 1.18 times as at 31 December 2023. During the six months ended 30 June 2024, the Group did not employ any financial instrument for hedging purpose.

As at 30 June 2024, the Group had outstanding bank borrowings of approximately RMB50.5 million (31 December 2023: approximately RMB55.0 million) which certain of the Group's investment properties of approximately RMB17.3 million were pledged for the Group's bank borrowings of RMB7.5 million, and certain of the Group's trade receivables of RMB70.0 million were pledged for the Group's bank borrowings of RMB38.0 million. Our borrowings were denominated in RMB. As at 30 June 2024, 100% (31 December 2023: 100%) of the Group's borrowings were on fixed interest rates.

Treasury Policies

The Group has adopted a prudent financial management approach towards its treasury policies to ensure the liquidity requirements from daily operation as well as capital expenditures are met. The Board of the Company closely monitors the Group's liquidity positions, while surplus cash will be invested appropriately with the consideration of the credit risks, liquidity risks and market risks of the financial instruments.

Foreign Exchange Risk and Related Hedges

The Group is principally focused on its business in China. Except for bank deposits denominated in foreign currencies, the Group was not subject to any other material risk directly relating to foreign exchange fluctuation. During the six months ended 30 June 2024, the directors of the Company ("Directors") expected that fluctuations of the RMB exchange rate would not materially and adversely affect the operations of the Group. The Group does not hedge its foreign currency risk. The Group does not have a foreign currency hedging policy. The management will continue to monitor the foreign exchange exposure, and take prudent measures to reduce foreign exchange risks.

Employees and Remuneration Policies

The Group had 4,864 employees as at 30 June 2024 compared to 5,110 employees as at 30 June 2023. For the six months ended 30 June 2024, the Group's total staff costs were approximately RMB212.1 million. The remuneration package of the Group's employees included salary, bonus and other cash subsidies. Employees were rewarded on a performance related basis, together with reference to the profitability of the Group, remuneration benchmarks in the industry, and prevailing market conditions within the general framework of the Group's salary and bonus system. The Group was subject to social insurance contribution plans or other pension schemes prescribed by the local governments and was required to pay on behalf of the employees a monthly social insurance fund covering pension fund, medical insurance, work-related injury insurance, maternity insurance and unemployment insurance, the housing provident fund, or other mandatory provident fund schemes on behalf of the employees. The Group hosted comprehensive internal staff training programmes for its staff to improve and enhance their technical and service skills, as well as to provide them with the knowledge of industry quality standards and work place safety standards. The Group provided orientation training to new hires and introduce them to the Group's corporate culture to understand its service standards and procedures. The Group also provided training courses and regular seminars on various aspects of its business operations, such as quality control and customer relationship management, to its employees. The Group had also adopted a share option scheme, details of which are disclosed in the paragraph headed "Share Option Scheme" in this report.

INTERIM DIVIDEND

The Board resolved that no interim dividend shall be declared for the six months ended 30 June 2024.

CHARGE ON ASSETS

As at 30 June 2024, the Group's certain investment properties of approximately RMB17.3 million (31 December 2023: approximately RMB12.1 million) were pledged for the Group's bank borrowings of RMB7.5 million (31 December 2023: approximately RMB4.0 million), and the Group's certain trade receivables of RMB70.0 million (31 December 2023: RMB70.0 million) were pledged for the Group's bank borrowings of RMB38.0 million (31 December 2023: RMB40.0 million).

GEARING RATIO

The Group's gearing ratio is calculated as net debt divided by total equity. Net debt is calculated as total interest-bearing debt less cash and cash equivalents. As at 30 June 2024 and 31 December 2023, the gearing ratio of the Group maintained at net cash position.

Notes:

- (1) The entire issued share capital of Brilliant Brother is held by Mr. Liu. Therefore, Mr. Liu is deemed to be interested in the Shares held by Brilliant Brother in the Company under the SFO.
- (2) By virtue of the SFO, Mrs. Liu Hong (劉宏) is deemed to be interested in the Shares held by her spouse, Mr. Liu, whose interests are disclosed in the above section headed "Directors' and Chief Executives' Interest and Short Positions in Shares, Underlying Shares and Debentures".

Save as disclosed above, as at 30 June 2024, the Company has not been notified of any other person (other than the Directors or chief executives of the Company) who was recorded in the register of the Company as having an interest or short position in the Shares and underlying Shares of the Company which would fall to be disclosed to the Company under the provision of Divisions 2 and 3 of Part XV of the SFO, or which were recorded in the register required to be kept by the Company under Section 336 of the SFO.

Share Option Scheme

On 14 June 2019 (the "Adoption Date"), the Company adopted a share option scheme (the "Share Option Scheme"). The purpose of the Share Option Scheme is to provide selected participants an opportunity to have a personal stake in our Company with the view to achieving the following objectives: (i) motivate the selected participants to optimise their performance efficiency for the benefit of our Group; and (ii) attract and retain or otherwise maintain an on-going business relationship with the selected participants whose contributions are or will be beneficial to the long-term growth of our Group.

According to the terms of the Share Option Scheme, the participants of the Share Option Scheme include (i) any full-time or part-time employees, executives or officers of our Company or any of its subsidiaries; (ii) any Directors (including independent non-executive Directors) of our Company or any of its subsidiaries; and (iii) any advisors, consultants, suppliers, customers, distributors and such other persons who in the sole opinion of the Board will contribute or have contributed to our Company or any of its subsidiaries. Notwithstanding the above, following the amendment of Chapter 17 of the Listing Rules, Share grants may only be made to eligible participants as defined in the amended Chapter 17 after 1 January 2023, being the effective date of such amendment.

The maximum number of shares in respect of which options may be granted under the Share Option Scheme and under any other share option schemes of the Company must not in aggregate exceed 10% of the total number of shares in issue immediately following completion of the capitalisation issue (as defined in the Prospectus) and the global offering (as defined in the Prospectus), being 40,000,000 shares (representing approximately 7.14% of the issued shares as at the date of this interim report), excluding for this purpose shares which would have been issuable pursuant to options which have lapsed in accordance with the terms of the Share Option Scheme (or any other share option schemes of the Company). The maximum number of shares issued and which may fall to be issued upon exercise of the share options granted to each participant (including both exercised and outstanding share options) under the Share Option Scheme or any other share option schemes of the Company in any 12-month period is limited to 1% of the shares in issue at the date of grant, unless otherwise separately approved by shareholders in general meeting with such participant and his close associates (or his associates if the participant is a connected person) abstaining from voting. Upon acceptance of the option, the grantee shall pay HK\$1.0 to the Company by way of consideration for the grant. To the extent that the offer to grant an option is not accepted by any prescribed acceptance date, it shall be deemed to have been irrevocably declined.

Subject to the terms of grant of an option, an option may be exercised at any time after the date upon which the option is deemed to be granted and accepted in accordance with the vesting schedule. The period during which an option may be exercised will be determined by the Board in its absolute discretion, save that no option may be exercised more than 10 years after it has been granted. A grantee may be required to achieve any performance targets as our Board may then specify in the grant before any options granted under the Share Option Scheme can be exercised. The subscription price of a Share in respect of any particular option granted under the Share Option Scheme shall be such price as the Board in its absolute discretion shall determine, save that such price must be at least the higher of: (i) the official closing price of the shares as stated in the Stock Exchange's daily quotation sheets on the date of grant, which must be a day on which the Stock Exchange is open for the business of dealing in securities; (ii) the average of the official closing prices of our shares as stated in the Stock Exchange's daily quotation sheets for the five business days immediately preceding the date of grant; and (iii) the nominal value of a Share.

The Share Option Scheme is valid and effective for a period of 10 years commencing on the Adoption Date unless terminated earlier by the shareholders in general meeting. As at 30 June 2024, the remaining life of the Share Option Scheme was approximately four years and eleven and a half months.

No option of the Company was granted to the Company's employees and other eligible participants since the Adoption Date and up to 30 June 2024.

Further details of the principal terms of the Share Option Scheme are set out in "Appendix V – Statutory and General Information – D. Share Option Scheme" of the Prospectus.

The Interim Financial statements for the six months ended 30 June 2024 were approved for issue by the board of directors on 28 August 2024 and have not been audited.

For the six months ended 30 June 2024

2. BASIS OF PREPARATION

These Interim Financial Statements have been prepared in accordance with International Accounting Standard ("IAS") 34 "Interim Financial Reporting" issued by the International Accounting Standards Board (the "IASB") and applicable disclosure provisions of the Rules Governing the Listing of Securities on the Stock Exchange (the "Listing Rules"). These Interim Financial Statements do not include all the information and disclosures required in a complete set of financial statements, and should be read in conjunction with the Group's annual financial statements for the year ended 31 December 2023.

The Interim Financial Statements have been prepared on the historical cost basis except for certain financial assets which are measured at fair value.

The Group has not early adopted any IFRS Accounting Standards that has been issued but is not yet effective for the current accounting period. The accounting policies and methods of computation used in the preparation of the Interim Financial Statements are consistent with those used in the preparation of the Group's annual financial statements for the year ended 31 December 2023 except for the adoption of the new or amended IFRS Accounting Standards as set out below:

Amended IFRS Accounting Standards adopted by the Group as at 1 January 2024

In the current period, the Group has applied for the first time the following amended IFRS Accounting Standards, which are relevant to the Group's operations and effective for the Group's Interim Financial Statements for the annual period beginning on 1 January 2024.

- Supplier Finance Arrangements (Amendments to IAS 7 Statement of Cash Flows and IFRS 7 Financial Instruments: Disclosures)
- Lease Liability in a Sale and Leaseback (Amendments to IFRS 16 *Leases*)
- Classification of Liabilities as Current or Non-current (Amendments to IAS 1
 Presentation of Financial Statements)
- Non-current Liabilities with Covenants (Amendments to IAS 1 Presentation of Financial Statements)

The adoption of these amended IFRS Accounting Standards has no material impact on these Interim Financial Statements.

For the six months ended 30 June 2024

3. CRITICAL ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of the Interim Financial Statements in conformity with IAS 34 requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, revenue and expenses on a year to date basis. Actual results may differ from these estimates under different assumptions and conditions. There have been no material revisions to the nature and amount of estimates of amounts reported in prior periods.

In preparing the Interim Financial Statements, the significant judgements made by management in applying the Group's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the consolidated financial statements for the year ended 31 December 2023.

4. REVENUE AND SEGMENT INFORMATION

The Group is principally engaged in the provision of property management services and related valued-added services in the PRC. This operating segment has been identified on the basis of internal management reports reviewed by the chief operating decision-maker (the "CODM"), being the executive directors of the Company. The CODM reviews the operating results of the business as one segment to make decisions about resources to be allocated. Therefore, the executive directors of the Company regard that there is only one segment which is used to make strategic decisions.
